What am I gonna wear?

You're what?!

THE YEAR IN REVIEW . . .

This year has held many events for us, both as a country and a community. We had some prestigious visitors: the Pope, who toured the country and shared his message with our multicultured communities, and the Queen, who received an enormous amount of cheers as she drove through the streets of Toronto. A couple of other happenings include the missile protests and the Morgentaler controversy. Many other notables that occurred, nationwide, were Trudeau's retirement, the Progressive Conservatives taking over leadership, the Canadian Arm going out into space, Canada winning the Canada Cup vs. Sweden and the incredible Tall Ship exhibits throughout Canadian Ports. Throughout the world some of our neighbouring nations were not as fortunate with their events: the Ethiopian famine received much needed recognition resulting in worldwide foreign aid, the USSR shot down a Korean plane resulting in the loss of innocent lives and the USSR lost it's third leader in three years. In our own community of Weston, we saw many things happen. One of the most recent event, which affected us personally, was the caretaker's strike.
